As a composer

- I have composed several works, registered in the General Society of Authors. Amongst them, I would like to highlight «**De puertas hacia adentro**», which I usually play in auditions. That work is divided into two parts: *introversiones-mío*, *extroversiones-tuyo*.
- I have created the **radio theme** for the programme «**La Hora Bruja**».
- I have also composed the ballad that won the Second Prize in the above mentioned **Contest of Vocational Songs**, and also composed several themes for the **Dance Company of Toni Aparisi**.
- Other works are the song «**El bolero de Babel**» or «**Una sencilla canción**».

Instrument

The instrument I play with is a guitar of the prestigious handcrafter **Ricardo Sanchis Carpio**.

The model is the 1st Extra Rio and it is built with woods such as German fir, rosewood from Rio, and ebony. All these materials give my guitar an acoustic, performance and beauty specifically handcrafted and designed for classical pieces.

I have appeared in several press releases that announce my concerts. **El País, Las Provincias, Levante EMV, el Diario de Ibiza o de Cuenca** are just a few of them. I have also appeared in several publications such as the **Turia** magazine, or specialised publications, like **Telón de Fondo**, edited by the Auditorio of Cuenca.

This is why I would like to invite you to visit my website, (www.javiermoya.com) in which you can see these articles.
